Utilities shown are for Contractor's convenience. Items are shown schematically and neither the site design professional nor the owner assumes any responsibility for accuracy in their actual location. This plan may not show and/or may incorrectly show utilities located on site. Contractor shall be responsible to locate and mark the location of all utilities prior to any excavation. Contractor shall verify the location and depth of utilities that are to be served and protected. Contractor shall verify the design professional of any utility conflicts prior to installation of new utilities, grading, etc. The Contractor at their expense shall be responsible to report, replace and/or indicate, as necessary, any utilities compared, whether shown or not. Agreement, relocation, etc. of utilities shall be coordinated with the respective utility company.
